MAS SOLAR

PIONEERING SOLAR ENERGY SOLUTIONS

MAS Solar Systems Private Limited, established in August 2010 in Coimbatore, focuses exclusively on solar energy. As one of India's largest solar PV module manufacturers, we provide EPC services for rooftop and ground-mounted solar power plants for HT and LT consumers (ON GRID and OFF GRID). Our energy solutions cater to industrial, institutional, domestic, and commercial sectors. We also collaborate with renewable research institutions for product development, testing, certifications, and training programs.
